

CO₂ Incubator COZ Series

- ❖ Microprocessor control water jacket beating type
- ❖ Digital display setting and actual temperature
- ❖ Over temperature alarm, PID self tuning
- ❖ Digital display running time
- ❖ Stainless steel interior with glass inner door
- ❖ CO₂ sound and light alarm
- ❖ Double gas filter, part warm door to avoid fogging
- ❖ Suitable for constant temperature tests
- ❖ Suitable for cells tissues bacterial cultivation
- ❖ Infrared sensor (optional)

MODEL		COZ-80	COZ-160
Capacity		80L	160L
Working Size		500x400x400mm / 20x16x16inch	500x500x650mm / 20x20x26inch
Power		680W	950W
Temperature Range		Room Temperature 5-50°C	
Temperature Resolution		±0.5°C	
Timer		0-999min	
CO ₂ Range		0-20%	
CO ₂ Precision		±0.1%	
Dimension		550x570x850mm	660x670x1000mm
		23x22x33 inch	26x24x39 inch
Weight		46kg / 102lb	66kg / 147lb
Cat No.	110V 60HZ	70241100	70241200
	220V 50HZ	70242100	70242200
